Patrick Sheppard founded and served as president of Mecom Facilities, Inc., a Clearwater-based commercial development and construction company. The company was the predecessor of RoBEL Investments, LLC and RoBEL Realty, LLC. In his role at RoBEL as managing partner, he brings more than 30 years of management experience in residential, commercial and industrial real estate development and brokerage to the company.

Pat directs RoBEL Realty, LLC. He has in-depth experience in construction, business infrastructure, finance planning, corporate management and strategic planning. His vision and expertise have enabled RoBEL to become a strong and successful company. Robel (www.robelinvestments.com) was the driving force in bringing the Trump Tower to Tampa.

Pat is also a partner in the ownership of Marker 1 Marina an upscale wet and dry slip facility in Dunedin Florida. As well as current development projects on Clearwater Beach and Tarpon Springs.

He serves on the Board and Executive Committee of Vertical Health Solutions, a public company and Occular Technologies, LLC.

Pat is very active in the Clearwater community donating his time, talents and treasures to many charitable organizations.
